DESCRIPTION OF THE APPLICATION AND ELECTION PROCESS FOR FIRST VICE PRESIDENT/TREASURER and ZONE VICE PRESIDENT

Candidate obtains copy of Application and Election Guidelines

First, each interested candidate should obtain a copy of the Application and Election Guidelines for Candidates Seeking an Elected Office from the KAR website or request a copy by contacting the KAR Chief Executive Officer (CEO). This guide will assist each interested candidate through the application and election process.

Candidate submits completed application to the KAR Chief Executive Officer

Second, each interested candidate should submit a completed application, including a signed authorization form allowing KAR to obtain background check reports on any candidates for the position of First Vice President/Treasurer, to the KAR CEO at least 60 days prior to the Annual Conference Meeting of the year that precedes the year in which the election will take place. In order to ensure that the deadline is not missed, the application should be submitted to the KAR CEO no later than August 1st of each year.

Credentials Committee reviews application to determine if candidate meets desired qualifications for the office

Third, the Credentials Committee will review all submitted applications for each office during an in-person meeting that will take place during the Annual Conference Meeting that precedes the year in which the election for that office will take place. The KAR CEO will prepare a summary of the application, including any credit and other background check reports obtained for candidates for the position of First Vice President/Treasurer, and present the summary to the committee.

Credentials Committee provides written notice of eligibility or ineligibility to each applicant

No later than November 1st following each Annual Conference Meeting, the Credentials Committee shall provide a written notice to each applicant informing the applicant whether he or she is deemed eligible or ineligible for the specified office. If the applicant receives a notice of eligibility for the specified office, the KAR CEO will announce the eligible applicant as a certified candidate for the specified office to the KAR Board of Directors.

If applicant receives notice of ineligibility, 30 days to file for the office by petition signed by at least 25 Directors

If the applicant receives a notice of ineligibility for the specified office, the applicant may submit a petition for nomination to the office to the KAR CEO within 30 days of receiving the notice of ineligibility. The petition for nomination must contain the completed application and the notice of ineligibility and must be signed by at least 25 current members in good standing of the KAR Board of Directors. If the KAR CEO determines that the petition has met these requirements, the KAR CEO will announce the applicant as a certified candidate for the specified office to the KAR Board of Directors.

Election for office held during the Board of Directors Meeting (or Zone Caucuses) during KAR Spring Governance Conference Meeting

The election for each office shall be held during the Board of Directors Meeting (or Zone Caucus Meeting for Zone Vice Presidents) during the KAR Spring Governance Conference Meeting. All Directors will vote for the office of First Vice President/Treasurer. Only Directors from within a particular zone will vote in an election for Zone Vice President.

Following the election, the elected individual will serve as a non-voting member of the Executive Committee or the Senior Management Team (for First Vice President/Treasurer only) for the remainder of the year in which the election took place. This is intended to be a year of “on-the-job training” for the elected individual that will prepare them for office.

Elected individual assumes office

Each elected individual will be installed as an officer during the Annual Conference Meeting of the year in which the election took place. Following the installation, each elected individual will assume the specified office on January 1st of the year that follows the installation.
